

Give Your Little Ones An Interest In the Future.

THEY are your hold on the future, and America is fighting to make their future safe. They are too little to realize this now,—but some day they must learn to reverence the traditions of America, and understand the great cause for which the men of their fathers' day gave their lives.

Be ready to put into their hands bonds of their government. They will be for them inspiring evidence that their fathers planned, sacrificed, and invested for their future. Liberty Bonds will mean more to them than money. They will make them proud of fathers who in America's day of great need proved themselves true American Patriots.

Invest in Liberty Bonds for your little ones.
